PRESIDENT'S CORNER

Summer is almost here! The Phillies are struggling, the economy is also struggling, but your NSBPA is going STRONG! We will be having our annual Dick Pound Scholarship breakfast on Thursday morning, June 13 at 7:30 AM at Casey's. Dr. Robert Mesaros will, Superintendent of the Marple-Newtown School District, will be our guest speaker. I look forward to seeing you there.

The Marple-Newtown High School Senior Project presentations will start taking place on Tuesday, June 4 and continue for the remainder of the week. If you are interested in being an evaluator, please contact Robert McCormick at 610-359-4200, ext. 3056.

If you have not had the opportunity to drive around St Alban's Circle, I highly recommend you take the time and do so. The Township has done a wonderful job in beautifying the circle. Many thanks to Jim Shell Drake and his crew. The plants are beautiful and with the electric now available in the circle, our Christmas Tree lighting ceremony should go very well. No more extension cords laying across the street.

On May 9, we had our 2nd annual Newtown School Appreciation day. Again, it was very well received. Donuts and orange juice were handed out at Culbertson Elementary School, Marple-Newtown High School, the Gauntlet Center, the bus garage, and both of the Delaware County Christian School campuses. Thank you to Roger Linde for spearheading the project again this year. Also, a thank you to all who were able to help out.

In their quest to hire (or not to hire) a health inspector, the Newtown Township Supervisors requested input from the business association. Calls were made and a letter was distributed to all of the restaurants and food handling businesses. A meeting was held on Thursday, May 23, at 10 AM in the Township building. Attending were George Clements of the Township, John Custer and Linda Houldin, Supervisors and representatives from Gentiles Market, Luigi and Giovanni Caterers, Casey's, McDonalds, Weinrichs Bakery, Moms Pizza, Everyday Gourmet, and Wawa Food Markets. With the input from the meeting, the supervisors decided to approve hiring a health inspector for the remainder of the calendar year.

Have a happy and safe summer.
